HERE IS THE SPECIAL LISTING I MADE. It's going to be a long one - not just because there's an incredible amount of data, but instead I have to come up with a way and reason to type out around 4000 characters. Honestly, I could go online and just copy anything - whether its Lorem Ipsum or something comparable, I could get this done in a flash. However, since I am a certified maniac when it comes to typing public remarks, I decided to fill it with just stream of consciousness. For instance, right now we've only JUST passed 500 characters. I have to hit 4000. 8x more text. Forget it.
