\$1,200,000

0 Bedroom, 0.00 Bathroom,
Farm on 54 Acres

White Oak Village, Georgetown, KY

This farm is excellent for development. It is zoned ag but it is on the comp plan for Residential use. There is a lot of frontage along N Elkhorn Creek. You will not find property this close to downtown Georgetown with creek frontage, utility access, road access, etc. The property is fenced for livestock, there is stock water, there are two barns, asphalt driveway running way back into the farm. Great views along the creek. The farm is reflected as being three different parcels by the Scott Co. PVA. The front parcel as having 21 acres, the middle parcel has 10 acres and the rear parcel has 23 acres. The rear parcel is very oddly configured and there is likely a mistake in the survey in the long narrow section on the north end along the creek. This area is not useful for any development or pasture anyway. See the aerial photo. The property was purchased under one deed that references three parcels. 23.19 ac, 10 ac and 21.64 acres totaling 54.83 acre, Owner/Broker is Roy Cornett
