Residential on 5 Acres

Walden, Nicholasville, KY

Walden is appropriately named as it reflect the same reverie as the written works of Thoreau as he embarked on his journey of self-discovery and the fulfillment of a simple life whose joy comes from nature and truth, rather than materialism and greed. This custom built Neo-Colonial home is located on 5 lush acres at the end of a private cul-de-sac. The floor plan flows nicely and the finish details add architectural interest throughout the three levels of living space. This property could be the answer to your quest for a place where family and friends can enjoy sitting on the porch overlooking the pool and firepit in the ambiance of nature's serenity.
