2 Bedroom, 1.00 Bathroom, 1,440 sqft
Residential on 7 Acres

Rural, Crab Orchard, KY

Just like living in the Wild Wild West. When the seller first built these two homes in 2011 his intentions were to make it look like a small western town. He built a saloon and billiards type home with living quarters in the back that consists of 2 bedrooms, 1 bath, living room and kitchen. The other home looks like a Hotel with garages that houses 6 cars and living quarters upstairs. It consists of 2 bedroom, 1 bath, living room, kitchen and has a bonus room. Gorgeous wood floors and cabinets with great craftsmanship throughout. There is a detached garage as well with storage room attached. There's still some finishing touches and you could build a jailhouse to go along with the theme. It would be a really neat place to have and it also has 7 acres to roam or you could have cattle, horses, etc. Let's go check it out because possibilities are endless on this unique property.

Built in 2011
