Charming cottage on nearly 6 acres with beautiful views and quiet living. One bedroom is on the main floor, a second space for a bedroom is on the second floor. The home was completely renovated in 2022 and used as a rental space until recently. There is some damage to the flooring from a past dishwasher leak. Property is fenced with an additional fence that creates a nice yard around the house. Small space for stackable washer and dryer. Range and dishwasher stay with the house. 1 car detached garage can be used to park a small car or storage. Small covered porches on both front and back of this cute little place.
