Land - Farm/Land on 131 Acres

Rural, Bagdad, KY

Nestled at the heart of 131 acres, this newly built barndominium--affectionately known as a 'Garage Mahal'--offers an exceptional private retreat. A scenic, nearly half-mile driveway winds through alfalfa fields, leading to this rustic hideaway with stunning views overlooking a tranquil pond. The lodge features locally sourced lumber throughout, lending a warm, rustic charm. Expansive windows frame incredible views in every direction, while the covered decks provide the perfect setting for outdoor entertaining. Upstairs, the loft functions well as a home office or second bedroom. An additional 600 sq ft room is nearly complete--just add flooring to finish it. The walk-out basement is framed and plumbed for a full bathroom and one or two additional bedrooms. It also includes a steel-doored safe room for storm protection or secure storage. With tall ceilings and its own covered patio, the basement offers great potential. The heated and cooled garage is a versatile dream space, perfect for a workshop, man cave, or additional entertainment area. The land itself is a beautiful blend of open hay fields--and thick woods teeming with wildlife. The owner says that the hunting is unbeatable, and with fishing just steps from your back door, this is truly an outdoorsman's paradise.

Though it feels completely secluded, you're just 15 minutes from Shelbyville, 25 minutes from Frankfort, and within 45-50 minutes of both Louisville and Lexington airports.

Additional photos will be coming by June 9th.
