4 Bedroom, 1.00 Bathroom,
Residential on 5 Acres

Rural, West Liberty, KY

Nestled on approximately 5 acres of tranquil Morgan County countryside, this offering presents the rare opportunity to reclaim and reimagine a property with boundless promise. The existing farmhouse—though in poor condition—and the accompanying tiny home are best seen as temporary fixtures: their removal paves the way for a new, inspired construction perfectly attuned to the setting. Set against a serene rural canvas, the landscape unfolds with open expanses, gentle topography, and sweeping views across verdant valleys—an ideal foundation for a custom-built home that takes full advantage of the natural surroundings.
