4 Bedroom, 3.00 Bathroom, 2,820 sqft
Residential on 6 Acres

Rural, Harrodsburg, KY

Gorgeous sunsets, sprawling farm views, quiet solitude, a fenced-in grazing pasture and a massive garden plot are just a few of the stand-out features of this "rare find" property. Nestled just off of infamously-scenic HWY 33 towards Herrington Lake and historic Shaker Village, this location is ideal if you're seeking the peace of a rural setting, yet still want close proximity to modern conveniences. With two horse stalls and 5.6 acres of level pasture, bring your horses or farm animals... NO deed restrictions! And the large metal barn at the rear of the property provides ample storage for your farm equipment, boats and toys. Inside the stately brick colonial home, you'll find a beautiful traditional floor plan with a formal entryway, both formal and casual living spaces, a formal dining room, a spacious kitchen with ample cabinetry, and a first-floor laundry and bath. Upstairs, four spacious bedrooms and two full baths finish out the floor plan -- with the master suite boasting its own attached bath and massive walk-in closet with custom shelves. You just have to see how well this property lays! The house sits just far enough back off the road for privacy and low road noise, and offers ample front, back and side yards for privacy. The land is completely flat, making it manageable and easy to mow. Burgin Independent School District. Call today to set up your personal tour!
