Residential on 10 Acres

Rural, Lawrenceburg, KY

1919 Crooked Creek is the peace you have been looking for. Nestled on the most picturesque 10-acre parcel you can imagine, this large farmhouse offers a rare combination of country charm with updated amenities among tranquil seclusion. The property is bordered by meandering Crooked Creek, lush pastures, their gentle rolling hills dotted with wildflowers and wildlife, creating a serene, picture-perfect backdrop. The spacious home offers 4 big bedrooms, 2 bathrooms, a newly updated kitchen, a large art studio ( which could be an office or bedroom), a cozy living room with a wood stove, and incredible views out of every single window. From the kitchen, is a covered deck overlooking a section of the creek that gets gentle morning sun and is perfect for bird watching.

Nearby, the original tobacco barn, once used as a dairy barn but now repurposed to house horses, adds a touch of history and character to the property. The barn stands proudly, its weathered wood and rustic charm blending seamlessly into the landscape. It currently has 5 stalls, a hay loft, a workshop and tons of storage space. There are three fenced pastures ready for animals, but several more open acres that border the creek.

Whether you're seeking a peaceful retreat, a place to raise animals, or a space to reconnect with nature, this property provides the perfect balance of comfort, privacy, and timeless beauty.

The home is located down a long, private

driveway. To respect the privacy of the owners and preserve the integrity of the property, we kindly ask that visitors do not use the driveway unless you have a private showing.
