2 Bedroom, 1.00 Bathroom, 1,531 sqft
Residential on 5 Acres

Rural, Winchester, KY

Welcome home to this adorable 2 bedroom, 1 bathroom farmhouse on 5 peaceful acres. Inside, the layout is open and inviting with LVP and hardwood flooring throughout with a tiled bath. The kitchen and family room flow together and feature beautiful exposed wood beams that are hundreds of years old and reclaimed from an old church. A wood-burning stove in the family room adds warmth and character on cozy days, and the kitchen feels straight out of an HGTV show with a new island and a layout designed for cooking, gathering, and entertaining. The bedrooms offer multiple closets, and the full bath includes a convenient laundry space. A formal living room at the front of the home provides extra flexibility for a home office or sitting area. Outside, a large multi-level deck wraps from the side of the home around to the back, creating the perfect setting for outdoor dining or quiet mornings with coffee. The 5 acre property has a large clearing behind the house, offering space for a pool, garden, or play area, while the rest of the land is wooded and gently sloped, offering privacy and a scenic backdrop. There are already two raised garden beds and a spot for a fire pit in the side yard, plus a detached garage, chicken coop, and storage shed. The HVAC system is brand new, and the roof is only two years old. This property has been well cared for and thoughtfully upgraded over the years. Come see why this farmhouse could be your perfect country retreat!
