4 Bedroom, 3.50 Bathroom, 4,371 sqft

Residential on 8 Acres

Bourbon Acres, Paris, KY

I have loved this home from the moment I first stepped inside. The home office has been updated but still kept its original charm and uniqueness. The large open kitchen has hosted its fair share of gatherings and most recently been equipped with the best quartz countertops and backsplash available. the dining room is off to one side of the kitchen and leads to the newly renovated living room where Saturday night memories are truly made with the family! Down the main hall you'll step into my favorite room in the entire home, the study. This room was custom designed to be practical, cozy and luxurious but quickly became a sanctuary where the atmosphere truly captures you. The bedrooms at the end of the main hall have been fully renovated along with the custom bathroom designed and inspired by southern living. The spacious master bedroom has an abundance of light, two walk in closets and the open master bathroom that compliments the living space. The beautiful sunsets are like something from a story or movie. The best of both worlds, neighborhood access in the front, 8 fully fenced and well-maintained acres in the back. The property boasts a large 86x32ft two tier tobacco barn with stalls, a separate fenced pasture in the back and 2 car garage with openers in the front. behind the house you can walk to your very own oasis, complete with a diving board. The 24x40ft inground pool that's depth reaches 10ft deep. The pump has been restored; lines have been cleaned, just needs

a new liner as the current liner recently ripped due to kids being kids and harsh weather.  
Rate buydown options can be negotiated.  
Seller is agent, moving due to family health.  
We hope you love this home as much as we have. \*Additional pictures coming soon, stay tuned!
