Residential on 5 Acres

Rural, Frankfort, KY

This 3 bedroom, 2.5 bath cabin on 5 private acres in Woodford County is being sold As-Is, offering a rare opportunity for investors, Airbnb operators, or buyers looking to create a custom retreat with significant upside. The property includes 1,360 sq ft of finished living space, a 680 sq ft unfinished basement with 9' ceilings and walkout access, and a 400 sq ft framed master suite addition ready for completion, allowing for immediate expansion or income potential. Exterior refinishing and repair of the south wall are needed, but the home's structure and ridge top location provide a strong foundation for customization. The main floor features a functional kitchen with durable finishes, flexible living areas, and a full bathroom, while the upper level offers three bedrooms, loft space, a full bath with jacuzzi, and tall ceilings throughout. With panoramic views in every direction, proximity to Woodford Reserve, Castle & Key, and zoning for Woodford County schools, this property combines rural privacy, strong rental or Airbnb potential, and room for growth and customization, making it a highly desirable opportunity for the next owner.
