Residential on 6 Acres

Rural, Williamsburg, KY

This older farm house sits on 6 beautiful acres of flat open land and is edged with trees to make it feel private. This property would be perfect for a small farm, homestead, or someone looking for a quiet country life. There is a natural gas well, offering free natural gas. Located 10 min from Cumberland Falls state park, and all the hiking and exploring in beautiful Whitley and surrounding counties. This could be a great investment for a vacation property, or your next home. The farm house has great bones, but needs fixing up. It offers beautiful hardwood floors, large kitchen and living space and the potential to be a 3 bedroom. There is a full walkout basement that could be finished for more living space. You are going to love sitting on the porch here and enjoying the sunset and stargazing. With some TLC you could have an adorable country home, large garden, room for kids and animals, and to enjoy your own slice of Appalachia. Only 2 hour drive to Pigeon Forge and Dollywood. Williamsburg has Kentucky splash and the mint casino, offering activities for everyone in the family. Property is being sold as is, but inspections welcome.
