Residential on 9 Acres

Rural, Mt Vernon, KY

If you've been lookin' for a place where you can breathe, hunt, and put some real space between you and the next neighbor... this is it. This 3 bedroom, 2 bath home sits on about 9 private, wooded acres just outside of Mount Vernon. It's quiet, it's secluded, and it's surrounded by woods â€” the kind of place you drink your coffee on the porch and hear nothin' but birds. You've got the kind of privacy where you don't see neighbors, don't hear traffic, and could literally pee off your back porch without a soul in sight. The home offers a comfortable, functional layout that works great for full-time living or a weekend place in the country. Step outside and you've got your own stretch of Kentucky woods to explore, ride, or hunt. And yes â€” this is BIG OLE BUCK country. Thick timber, natural cover, and the kind of ground that holds deer and other wildlife. There's also a detached metal garage/shop perfect for trucks, ATVs, equipment, tools, and everything that comes with country living. If you want privacy, land, woods, and real Kentucky living, 93 Bloss Rd delivers.
