3 Bedroom, 3.00 Bathroom, 2,844 sqft

Residential on 5 Acres

Rural, Nancy, KY

Escape to your own private paradise at 510 Meadow View Dr in Nancy, KY! Built in 2016 and offering 2 bedrooms (potential for 3-4 BR), 3 full bathrooms, and 2,844 total sq ft, this beautiful home delivers the perfect blend of comfort, functionality, and "log cabin" charm without the log maintenance.

Situated on a gorgeous 5.49-acre tract, you'll love the peaceful setting and room to roam, relax, and enjoy the outdoors while still being just minutes from Lake Cumberland only 10 minutes to Cumberland Point Boat Ramp and 15 minutes to Lee's Ford Marina! Since purchasing, the owners have made major improvements including a finished walkout basement complete with flooring, a mini-split heating & cooling system, a finished full bath, and a cozy lounge area. The basement has been thoughtfully sectioned into two additional rooms currently used as a music recording studio ideal for extra bedrooms, a second living area, home office, or flex space (could be converted back to a 2 car garage). You'll also appreciate the added peace of mind with a safe room featuring 10-inch poured concrete walls, built-in storage, and heating/cooling. Enjoy extra convenience with a whole-house Generac generator that powers both the home and the detached 24x26 garage (built in 2021) featuring electric, concrete floor, and a built-in workbench. Additional upgrades include improved propane setup servicing the Generac, gas fireplace and 5-burner gas stove. Ductwork and split thermostat was

added for adjustable comfort for the upstairs loft. The custom kitchen is loaded with upgrades including maple cabinets, a walnut island, pull-out shelving, hidden trash storage, pot/pan hooks, and a knife drawer with block. All kitchen appliances, plus washer and dryer, remain. Even betterâ€”TVs, living room furniture, and beds stay, making this home truly move-in ready! Outside, unwind by the woodburning firepit, take advantage of the woodshed, and enjoy the privacy and space that country living providesâ€”including your very own shooting range behind the garage. Additional features include Starlink high-speed internet (perfect for working from home) and a security system for both the home and garage. This is the kind of property you don't find every dayâ€”schedule your showing and come experience it for yourself!
