5 Bedroom, 4.50 Bathroom, 4,676 sqft  
Residential on 9 Acres

Lu Preese, Versailles, KY

This is a special opportunity in one of Central Kentucky's most desirable locations. Set on 8.58 acres on a quiet, private road just minutes from Keeneland and leading equine hospitals, this property offers an uncommon blend of privacy, convenience, and functional horse facilities. Surrounded by quality homes and neighboring farms, the setting feels secluded while remaining close to everything Lexington and Versailles have to offer. The 5 bedroom, 4.5 bath home features a first-floor primary suite, high ceilings throughout, a welcoming entryway, and a large finished basement that provides excellent additional living and entertaining space. Generous storage and closet space are found throughout, and outdoor living is well designed with a spacious deck and patio overlooking surrounding farmland and horses. The equine facilities are well positioned and ready for immediate use, featuring an 11 stall (13.8 x 11.3) barn with tack room, feed room, and hay loft, along with an indoor arena. The layout offers a practical and efficient setup for a private horse operation in an exceptional location. Properties offering this combination of location, privacy, and usable equine infrastructure rarely come available. Whether you're looking for a well-located horse property or a beautiful home where horses are part of the lifestyle, this farm presents a unique and compelling option.
