This well-kept brick ranch sitting on 10+/- acres is exactly what you've been waiting for! The desirable 3bd/2ba layout is complete with an ensuite bathroom in the primary bedroom, a cozy fireplace in the living room, and a garage large enough to convert back to a two-car if so desired! The original hardwood floors, cabinetry, and fireplace give this home the character that modern homes lack - and contributes to the cozy, family house feeling. Whether you need to take the two minute drive to the Mountain Parkway for your commute, or need high speed internet for your remote work, this home is perfect for you! The wooded acreage is abundant in mature timber, hiking scenery, and several opportunities to add a pond or trails for the outdoorsmen! Above all else, the land provides an excellent opportunity to hunt!
