Can be sold with additional acres, up to 20 acres total. Totally Renovated Country Retreat - Former Hinton Christian Church Country living at its best! From the moment you walk through the door, you'll be amazed. Oversized rooms throughout - from the living and dining areas to the kitchen and not one but two primary suites. Originally built in 1918 as the Hinton Christian Church with small living quarters, this remarkable structure was completely reimagined and rebuilt by Amish craftsmen to the highest standards. Every detail reflects quality: oak post-and-beam construction with double-stud walls added in 2024, premium board-and-batten metal exterior accented with real quartzite stone, and a breathtaking original chestnut herringbone church ceiling that anchors the home's history and warmth. Modern updates include PEX plumbing, 200-amp electric service, seven (17-19 SEER) high-efficiency heat pumps, Low-E windows, and gutter guards. The commercial-grade septic system (installed in the late 1980s and barely used) was cleaned and inspected in September 2025. Set among massive white oak and hickory trees, this one-of-a-kind property blends timeless craftsmanship with today's comfort and performance - a rare opportunity to own a piece of Kentucky history, thoughtfully restored for modern living.
