If you are looking for a farm that could suit all your needs, this is it. This 131.5 acre farm has most recently been a productive cattle farm, but it could be suited to any livestock as well as horses. There is plenty of room to roam and wildlife is plentiful as well. The home offers 4 possible bedrooms (or three bedrooms and an office), 3 full baths, eat-in kitchen as well as a dining area, beautiful front porch, and back porch with mud room/laundry room access. The hardwood floors are gorgeous, and this home is the perfect combination of space, charm, character and convenience. The unfinished basement is great for storage and offers easy access to your furnace unit. You also have a meticulously built and maintained 40X60 shop building with bonus room, kitchen and half bath. The possibilities for business needs, farm equipment/tools, recreation/hang out space or auto/boat/RV storage are endless for this building.
