Residential on 5 Acres

Chandamere, Nicholasville, KY

Welcome to 980 Chandamere Way, a private 5-acre estate offering over 8,000 square feet of refined living in one of Nicholasville's most sought-after communities. Built in 2020, this home delivers the scale and presence of a luxury estate with the layout and features today's buyers actually want. From the moment you enter, the grand two-story foyer sets the tone with an elegant staircase, custom trim detail, and a statement chandelier. The main living area opens into a dramatic great room anchored by a soaring stone fireplace, seamlessly connected to a spacious eat-in kitchen designed for both everyday living and entertaining. Custom cabinetry, granite countertops, and stainless steel appliances create a functional and inviting centerpiece of the home. One of the most unique features of this property is the dual primary suite layout on the main level, offering flexibility for multi-generational living or extended guest accommodations. The main owner's suite is a true retreat, complete with a private sitting area, fireplace, spa-style bath, and an expansive walk-in closet with center island. Direct access to the outdoor living space creates a seamless indoor-outdoor experience. Upstairs, each additional bedroom includes its own ensuite bath and generous closet space, along with a loft-style sitting area overlooking the foyer below. The finished walkout basement expands the home even further with a large open living area, third fireplace, and a custom bar setup ideal for

entertaining. From here, step out onto a covered patio that mirrors the upper outdoor space. Outside, the 5-acre setting provides privacy, room to expand, and a true estate feel. The main patio is already plumbed and wired for an outdoor kitchen, giving the next owner the opportunity to create a fully customized outdoor entertaining space. Additional features include a four-car garage setup, multiple covered outdoor living areas, and a four-zone HVAC system designed for comfort throughout the home. This property has been recently repositioned to reflect current market conditions, presenting a compelling opportunity to own a newer construction estate of this size, on acreage, in the Chandamere area. Homes offering this combination of space, land, and modern build are rarely available at this price point.
