Land on 90 Acres

Rural, Bagdad, KY

Looking for a real farm....we have a wonderful cattle farm or a place just to get away from all the hustle or bustle. This 90 acres has been a great working cattle farm for many years and now the sellers say it's time to retire. Property is fenced and has ponds for water and great pasture for grazing now and the winter hay. There are two outbuildings .. 1 barn 72 X 40 great for storing equipment and storage....and a shed 26 X 50 open for shelter and hay storage. There is an older house that has no value now but it would be a great site for a new home. There are some trees for shade, and a creek in the back of the farm for wildlife to enjoy. You just might see any number of deer and turkey at anytime. Located only 15 minutes back to Shelbyville, and only 7 minutes to Bagdad, and 30 minutes to Frankfort ...the location is perfect for be close to town and yet enjoy the country living. Farms like this are rare.....come take a look..
