Residential on 26 Acres

Rural, Georgetown, KY

Find peace on 26 acres of scenic Kentucky farmland offering privacy, productivity, and convenience just minutes from I-75. This beautifully renovated home offers over 2,200 square feet on a finished basement, with strategically placed windows capturing sweeping views of pasture, countryside, and your animals. The farm is approximately 90% pasture and 10% wooded with valuable bottom land, creating an ideal setup for horses, cattle, hay production, or a self-sufficient homestead. The land is thoughtfully designed with 8 fenced and cross-fenced pastures, each with automatic waterers and multiple access points for efficient livestock rotation. Equestrian, livestock, and agricultural improvements include a 7-stall horse barn with electric and water, rubber-matted stalls with Dutch doors opening to private paddocks, tack room, and grooming area with room to add a indoor or outdoor Arena. Additional structures include multiple run-in sheds, a large tobacco barn with hay lofts capable of storing hundreds of bales, a trailer/RV equipment building with three bays, and additional farm storage buildings. The property also features a stocked pond and multiple spring-fed creeks, offering natural water sources and beautiful landscape features throughout the farm. Extensive fencing has been updated within the past several years, including quality board fencing and no-climb wire designed for both durability and livestock safety. Enjoy peaceful sunsets from the covered front porch or relax

on the spacious covered back patio while taking in panoramic views of rolling pastureland. Despite the quiet rural setting, the farm is conveniently located near I-75 with quick access to Georgetown shopping, 20 minutes to the Kentucky Horse Park, and Lexington, making it easy to enjoy both country living and nearby amenities. Owner is open to discussing amount of acreage to be sold with home and structures. Up to an additional approximately 66 acres available for sale.
