MLS® #26010138

\$1,625,000

4 Bedroom, 3.50 Bathroom, 4,565 sqft
Residential on 80 Acres

Rural, Versailles, KY

Extraordinary Woodford County lifestyle property offering 80 rolling acres, sweeping views, abundant wildlife, and the kind of privacy and versatility that is increasingly hard to find. The approximately 4,500 square foot residence features 4 bedrooms, 3.5 baths, updated baths, a cook's kitchen with gas cooktop and three wall ovens, and multiple gathering spaces designed for everyday living and entertaining alike. A large deck captures long countryside views, while the covered brick patio creates the perfect setting for quiet mornings, sunset evenings, and watching deer and turkey move across the property. The walkout basement functions almost like a private apartment with its own kitchen, living area, bunk room (egress window does not meet current code requirements for bedroom classification), and full bath, ideal for guests, extended family, caretaker quarters, or flexible rental use subject to buyer verification. Outside, the property continues with an approximately 40x60 shop and 100x40 barn, providing space for equipment, hobbies, storage, livestock, or future creative use. Rolling hills, partial woods, open pasture, and a peaceful setting combine to create a property equally suited for recreation, entertaining, weekend escapes, or full time Kentucky country living. Properties offering this combination of scenery, usability, comfort, and privacy rarely come available.
