3 Bedroom, 2.50 Bathroom, 2,310 sqft
Residential on 0 Acres

Hunters Trace, Louisville, KY

Don't let the front fool you - this updated brick ranch lives large. With 1,365 sq ft up plus roughly 945 finished down, there's real room to spread out: 3 bedrooms and 2 full baths on the main floor, an electric fireplace, and a light-filled vaulted great room with exposed beams, a wall of windows, and French doors opening to the backyard. Downstairs is a fully finished walk out lower level built for hanging out: game room, wet bar, and flex space, plus a lower level half bath and laundry. A few finishing touches remain, giving you the chance to add your own equity and make it your own. Outside is a custom setup ready for summer: a covered patio with a built-in stone outdoor kitchen, gas grill, and outdoor refrigerator, wired for sound with mounted speakers. A stone fire pit, above ground pool, and fully fenced yard round out the space, with a climate controlled two car attached garage completing the package. Solid bones, smart layout, and priced to move. Bring your vision!
